Dorie's House Shed Update

Spring is in the air and the Construction 20 students have finished the shed for Dorie's House just in time! In the last newsletter we saw the students were laying down shingles. Once the shingles were complete, the students wrapped the sheds in house wrap and installed the tin for the soffit and fascia. After completing the tin, the Construction 20 students built and installed the doors, put on some final touches, and prepared the sheds to be moved out of the shop. The shed for Dorie's House has since been moved out and handed over to them. We would once again like to thank Swift Current Building Supplies for supporting this project by donating the materials and Dorie's House for giving us this opportunity to build a shed for them.

Starting August 2024 Swift Current Comprehensive High School (SCCHS) families will be able pay school-related fees through MySchoolBucks Online. Families should expect invoices to be issued for school fees in August of 2024. These invoices will be sent by email.

MySchoolBucks Online provides families with a convenient payment option and ensure payments are securely received and accounted for while avoiding collection of cash and cheques by the school.

To use MySchoolBucks Online you will need to create a user login, once this is set-up you can add your children to your profile to make purchases on their behalf.

The school will post the relevant fees/product in MySchoolBucks Online and parents/guardians pay using Visa, MasterCard or debit credit cards (ex. Visa Debit). It is an easy process of picking the correct fee/product, adding it to your cart, and proceeding to check-out.

Families who have accounts created from other Chinook Schools will attach to SCCHS automatically.
